August 2011

Greetings

I am pleased to forward the enclosed flier with details of the 2011- 2012 Music at Central concert series. In keeping with our purpose statement, we are again providing a season of diverse music - and hopefully something for everyone.

I am also pleased to announce – and invite you to a very special event. On May 5th, 2012, Charles Callahan will be leading a workshop on “*The Art of Hymn Playing*”. Dr. Callahan is one of America’s leading organist-composers as well as noted educator and author. Registration for this event will begin at 9:00 a.m., the workshop will begin at 9:30 and conclude at noon. The workshop fee is just fifteen dollars (\$15.00) - please use the form below to register (New London County AGO members are asked to register with Maryann McCary). The Callahan weekend is sponsored in part by the New London County Chapter of the American Guild of Organists.

Finally, bringing the arts to downtown Norwich is a very important endeavor. Won’t you consider becoming a sponsor and support Music at Central?

Thank-you

David C. Warfield
Director of Music
